

## Sydney Rowing Club's Success at the NSWRA State Championship Regatta, 11<sup>th</sup> & 12<sup>th</sup> February 2006

Sydney Rowing Club gained third place overall at the New South Wales Championships on the weekend. The regatta was for many the culmination of the season and lots of hard work paid off with fantastic results being achieved by many, including those who are in their first year of state competition. To be selected to compete at the state championships is in itself an honour, and all who raced did so with obvious pride and true "blue" club spirit. The way that Sydney Rowing Club members presented themselves both on and off the water was inspiring, and led to many successes as follows:
