Celebrating 140 years of Sunsets at SRC • Dedes • Events • Easter Raffles

General Manager's report

Thank you to our valued members who supported the Club for what was a very busy summer period. The remainder of summer and the coming autumn season is expected to continue experiencing high popularity with the weather being perfect for our many outdoor areas. SRC is looking forward to continuing a strong focus on service and quality products to ensure 2012 is another successful year.

Our waterfront location, prestigious history and highly awarded food and beverage facilities are very important to us. We will continue to embrace this and the SRC lifestyle through our "140 years of sunsets at SRC" promotions. On top of this you may have noticed the extensive increases to our beverage selection implemented over summer. Our wine list in the lounge has now doubled, offering almost 50 wines by the bottle with half available by the glass. We have attempted to source the best grape varieties from the best growing regions across Australia as well as Champagnes and Rosés from the Champagne and Bordeaux regions in France and some outstanding Sauvignon Blancs from New Zealand's Marlborough and Nelson regions while also being sensitive to the prices we charge our members. We hope this, as well as our extensive range of international ciders and imported, craft and boutique beers, provides optimum choice and enhances your experience at SRC.

At weekends the club is the place to be and it is always a hive of activity both on and off the water. During Summer we trialed the opening of Dedes Restaurant for Saturday lunches and providing live entertainment on the deck on Saturday afternoons. These additions proved to be very popular and we will continue to offer these services in the future. We also continue to encourage members and their guests to take advantage of the ferry service that drops off at our door and makes SRC a truly unique destination experience.

Thank you once again for your support and I hope to see you soon at Sydney Rowing Club.

Athlete profile

Dean Robinson joined Sydney Rowing Club in April of 2008 and has represented the club ever since. He learned to row at Nepean Rowing Club and has now rowed for a total of 12 years. Always competing as a Lightweight (<72.5 kg), Dean has achieved many results for SRC.

Dean has proved himself a veteran of the traditional NSW rowing events such as the Gold Cup and Cayzer Cup, representing SRC in these events since he joined. Last season Dean competed at the Australian National Championships where he placed Silver in the Club Double. This season Dean travelled to the USA to compete in the Head of the Charles in Boston, along with three other scullers. In his single scull, Dean came 2nd, very good result in the Club Event. Currently Dean is in the state Men's Lightweight Squad competing for a place in the NSW Lightweight Coxless Four. If Dean is successful he will represent NSW at the Australian National Championships which will be held in Perth this March.

Rowing report

The past few months have been both busy and successful for the Sydney Rowing Club Boathouse. The Head of the Parramatta, a time trial hosted by SRC, drew over 130 entries. The Senior Men's Eight claimed second place, Senior Men's Four placed first and the senior women's Eight placed second. Masters were also well represented at this race, boosting the club's participation of this long running event.

The Gold Cup on Lane Cove River provided the next opportunity for competition for the SRC crews. The day itself was marked with very good weather and racing conditions. In the Men's B Grade Quads, SRC claimed both a first and second placing. All other crews competed with great success, being edged out by small margins and taking second place.

Many more events were marked on the racing calendar and SRC has aimed to represent at each event including the CDRA Sprint Championships, North Shore Regatta, Spring Regatta, Reindeer (Premiership) Regatta and

the NSW Sprint Championships. All results can be viewed on the Rowing NSW website: <http://www.rowingsw.asn.au/>

The NSW Sprint Championships in particular were a great success for the club, with the squads bringing home the point score trophy, for the most successful club of the regatta. This effort has advanced SRC on to the top of the overall season point score.

After finishing off the year with great performances the athletes enjoyed some R&R over the holiday period, beginning with the Hawaiian Themed Christmas Party. However, to maintain the current success, there was not too much time off – and the new year was kicked off by the Annual Training Camp, a 12 hour a day, 6 day camp which has placed all athletes in great condition to take on the upcoming events including the Taree Regatta, NSW Small Boats, NSW States and the Australian Championships in March.
