NOTICE TO CLUB MEMBERS

TEMPORARY CLUB CLOSURE

Yesterday the Prime Minister announced further measures intended to slow the spread of COVID-19. These measures will have an immediate impact on our Club and the services provided to you.

I am now informing you that the Club's premise is closed until further notice. I will continue to send updates as this situation progresses.

Firstly, thank you for your ongoing support of Sydney Rowing Club. This support has placed the club in a strong financial position to tackle the situation we now face. Without your support, this would not be possible. I am confident that the Club will reopen better and stronger when we are able to do so. Support from our members at that stage will be required more than ever.

The Club will now be preparing all the detailed aspects of this temporary closure, including the support of our loyal and dedicated staff.

Thank you once again and please stay safe.

Peter Grosvenor
General Manager
Sydney Rowing Club
